About this notice:

Under the Pesticides Regulation 2017, at least five working days' notice must be provided before a licensed pest management technician (pest controller) uses:

- pesticides to treat any common areas of a multiple-occupancy property
- spray or liquid pesticides adjacent to a sensitive place. See the NSW Environment Protection

Authority (EPA) website for more information.

You may request a copy of a safety data sheet for the pesticide(s) from the pest controller.
