# Notice of Intended Pesticide Application

AN ANTICIMEX COMPANY

About this notice: Under the Pesticides Regulation 2017, at least five working days' notice must be provided before a licensed pest management technician (pest controller) uses:

- pesticides to treat any common areas of a multiple-occupancy property
- spray or liquid pesticides adjacent to a sensitive place. See the NSW Environment Protection Authority (EPA) website for more information. You may request a copy of a safety data sheet for the pesticide(s) from the pest controller
